

SRI Book Receives Honor

December 18, 2006

The Pima County Public Library (Arizona) has announced that *Life in the Past Lane: The Route 66 Experience: Historic Management Contexts for the Route 66 Corridor in California* (SRI Technical Series 86) has been named to its list of Southwest Books of the Year 2006. This book, authored by Matt C. Bischoff and prepared by SRI for the Bureau of Land Management, takes the famous highway and places it in the larger context of U.S. history through prose, maps, and photographs. Competition panelist Patricia Etter named the SRI book as one of her top picks! To order *Life in the Past Lane*, see the Publications page on the SRI Web site. For more information on *Life in the Past Lane* and other new SRI publications, visit our SRI Publications page.
